ECF CASE

Sentencing, J

APR 12 2010

3/18/10

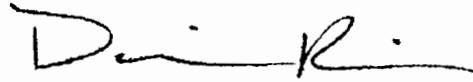

**STIPULATED ORDER FOR AN EXTENSION OF TIME FOR PLAINTIFFS AND
DEFENDANT WESTERN DIGITAL TECHNOLOGIES, INC. TO MAKE INITIAL
DISCOVERY REQUESTS**

It appearing that Plaintiffs and Defendant Western Digital Technologies, Inc. ("WDT") have been engaged in good faith settlement negotiations, that these parties have been unable to complete their anticipated settlement due to the need for additional time to investigate certain complex software codes and uses of the codes, that WDT's software licensor located in Taiwan has added a geographical challenge that has contributed to the need for additional time to complete the software code investigation leading up to the anticipated settlement, and that these parties believe that their time, attention and resources are best focused at this time on completing the tasks needed for settlement, the Plaintiffs and Defendant WDT stipulate and agree to a reasonable three week extension of time for the Plaintiffs and Defendant WDT to make initial discovery requests of one another from the current due date of March 22, 2010 to April 12, 2010. No other extension of this date has been previously sought by WDT for these discovery requests. Plaintiffs have sought and were granted an extension of the time to serve initial discovery requests on Defendants Samsung Electronics America, Inc. and Phoebe Micro, Inc.
